

Amendments to the Drawings:

The attached replacement sheet of drawings includes changes to Fig. 4. The replacement sheet, which includes Fig. 4, replaces the original sheet including Fig. 4. In Fig. 4, the lead line from reference numeral 52 is extended to point to the TiSi layer and the lead line from reference numeral 42A is shortened to terminate at the first portion of the first metallization level to conform to Fig. 3 and the description.
